Schedule D, Part III, Line 4 - The works of art are displayed throughout the United Way of Dane County building for prospective donors, volunteers, staff and visitors to enjoy.

Schedule D, Part V, Line 4 - The endowment funds consist of multiple individual funds to support the future of children, adult and elderly programs, community building and United Way purposes in Dane County.

Schedule D, Part X, Line 2 - The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Corporation is also exempt from state income and franchise taxes. The Corporation files a Form 990 (Return of Organization Exempt from Income Tax) annually. When these returns are filed it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. Examples of tax positions include such matters as the following: the tax exempt status of the Corporation and various positions relative to potential sources of unrelated business taxable income (UBIT). UBIT is reported on 990T as appropriate. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes that it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any.

Form 990, Part III (Cont. 1) - Health: Health goal: A Dane County absent of racial health disparities. In 2022 our signature school-based behavioral health program, CBITS, screened over 6,000 students for symptoms of traumatic stress and delivered remote services that helped over 200 students connect with services for a variety of behavioral health issues that most reported improved their health outcomes. Updated strategies were developed to address the racial and socioeconomic health disparities that have led to poorer health outcomes for our County's BIPOC (Black, Indigenous and People of Color) population. Significant time and resources were focused on collaborating with Dane County Health Council partners to develop a Care Coordination system that brings health and community resources together to address the Social Determinants of Health impacting birth outcomes for African American pregnant moms. At United Way of Dane County, we believe cost should not prevent one from getting the health care one needs. That's why we're helping lower income individuals and families who make too much to qualify for BadgerCare purchase insurance through [healthcare.gov](http://healthcare.gov) via our HealthConnect Premium Assistance Program. Health Connect offered premium rate coverage through 20 different local plans for qualified individuals who registered during the 2022 enrollment period. In 2022, \$1.05 million was invested into the HealthConnect program by United Way of Dane County and our Partners UW Health and Quartz - allowing us to pay insurance premiums for 583 people through 504 plans! 18% of participants had no previous health coverage, 31% of HealthConnect enrollees identified as BIPOC.

Since the Journey Home program was launched to serve all returning prisoners to Dane County, the return-to prison rate for Dane County has decreased from 66% (in 2006) to 39% (in 2019). Form 990, Part III (Cont. 5) - Early Childhood and Family Well Being Goal: "Children are cared for and have fun as they become prepared for school." We use home visiting to help us achieve this goal that 4-year old's are at age-expected development and ready to begin school. Home Visiting is in-home parent education and support to low-income parents of young children facing multiple risk factors to help them nurture their children. Our home visiting programs include the Parent-Child Home Program, Welcome Baby and Beyond and Kinder Ready. In 2022, on average 84% of the children enrolled were reaching developmental milestones on track. Our lead partners on these three Born Learning initiatives included RISE and Children's Hospital - Community Services Division. Goal: Build family well-being by intentionally and simultaneously working with children under five and the adults in their lives together. Research and community input consistently show that coordinated, holistic programs and policies that help meet children's and caregivers' goals simultaneously lead to increased family stability and mobility from poverty - leading to greater success across generations. One of the primary ways we provide geographically centered supports is through our work in the Early Childhood Zones (ECZ). This collaboration of local foundations, nine non-profit organizations, the City of Madison, and Dane County has enabled us to reach families in the northside (NECZ) and in Sun Prairie and Leopold. The primary work of these zones is to provide families with home visiting services that help equip parents to be their child's first teacher through literacy and play. The zone also offers wrap around services for families in need of housing case management, rental assistance, job and employment support, and mental health support.. Of the families served through the NECZ, 79% reported improved parent child interaction or increased knowledge about parenting; 81% of families engaged in housing supports moved to safe, adequate housing or maintained stable housing/avoided eviction; 62% of families engaged in employment an education services obtained or maintained employment; 30% of those engaged in employment training services completed the program.
