

Creating Lasting, Positive Change

Last Year, 335 Cross Plains Residents Were Helped by United Way Services.*

At United Way of Dane County, we know that the well-being of our children and families directly impacts the overall health of our community. By helping neighbors in need access the building blocks of well-being – a quality education, family-supporting job and health supports – we’re working to solve big-picture issues no one person or organization can address alone.
