# CREATING LASTING, POSITIVE CHANGE

Last Year, 826 Oregon Residents Were Helped by United Way Services.\*

At United Way of Dane County, we know that the well-being of our children and families directly impacts the overall health of our community. By helping neighbors in need access the building blocks of well-being – a quality education, family-supporting job and health supports – we’re working to solve big-picture issues no one person or organization can address alone.

**Together, we are The Power of Caring. Working for All.**

## 11,240 Community Members in Oregon

**We’re calling on every resident** to be a part of the change! Because when more of your neighbors have the support they need to succeed, our entire community is better positioned to thrive.

## 11% of students in Oregon are not on track to graduate

**Reading proficiency is essential to academic success in future grades**, but 11% of students in Oregon cannot read at grade level. Research shows that students who struggle with reading are significantly less likely to graduate from high school or enter college.

## 660 Neighbors Are Living in Poverty

**Poverty presents several barriers** to achieving family well-being. When more people have access to safe, affordable housing and jobs earning family-sustaining wages, our entire community works better.
